Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-23 educational progress for West Early Childhood Center and East Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Corey DeRidder for assistance.

The AER is available for you to review electronically by visiting the following web site

East: <https://bit.ly/2I1SDYs>

West: <https://bit.ly/3eliC9B>, or you may review a copy in the main office at your child's school.

For the 2022-23 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

\* Note TSI and ATS definitions were changed for the 2019-20 school year per federal requirements.

The new definitions are:

TSI- The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS- The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school was identified as a "Has not been given one of these labels."
